Rahma Khalil lives with her parents, 2 brothers, and 3 sisters. Her parents struggle to provide for the family. Her father is a daily wage earner. Despite their efforts, it is difficult to meet the family's needs.

Rahma Khalil is growing up in an urban community in the Israel-Palestine region. Family homes are constructed of bricks and cement. They are built very close together and have about 10 people to one room. The typical diet is rice, vegetables, fruit and meat when available. Temperatures vary with the season, hot in summer and very cold in winter. The terrain is hilly with densely packed houses and little open land.

Rahma Khalil is in primary school and she enjoys religion. She helps at home by learning to do small tasks. She likes to ride a bicycle. She is in satisfactory health.

Your sponsorship commitment will help provide Rahma Khalil and her community with educational opportunities. Your support will provide healthcare, hygiene and clean water. Parents will receive skill training to improve their crops. We will work with communities to build reconciliation and encourage peace building. We are thankful for your commitment and your prayers so these precious children and their families are able to experience the love of God and life in all its fullness.
